I will be editing them so they will change in the coming weeks, but the links will stay the same.

Thanks,

Session Presenters,

Thank you for taking the time to make our first virtual APA conference a meaningful learning experience. While we certainly had some growing pains with the technology, we were thrilled with the participation and the opportunity that this format has provided.

We have one last request, and that is for you to send any PowerPoint presentations or materials that you would like to be shared with conference participants to me. We will be uploading these to the conference website in the coming weeks.

Thank you again,
